<i>Author(s)</i>	<i>Topic</i>	<i>Affiliation</i>
P-01 Tamara Alebić*, Maja Gregić, Tina Bobić, Alka Turalija, Vesna Gantner	The history of breeding of Lipizzaner horses	Josip Juraj Strossmayer University of Osijek, Croatia
P-02 Henrieta Arpášová, Veronika Pistová, Cyril Hrnčár, Martin Fík, Peter Haščik, Miroslava Kačániová Branislav Gálik, Ondrej Bučko	The impact of the humic acid and phytobiotics on performance and carcass parameters of broiler chickens	Slovak University of Agriculture in Nitra, Slovakia
P-03 Tina Bobić*, Dario Andrašić, Pero Mijić, Maja Gregić, Mirjana Baban, Vesna Gantner	The effect of liner type on the teat condition of Holstein primiparous cows	Josip Juraj Strossmayer University of Osijek, Croatia
P-04 Tina Bobić, Pero Mijić, Maja Gregić, Denis Kučević And Vesna Gantner	The differences in teat-end hyperkeratosis in Holstein and Jersey dairy cows	Josip Juraj Strossmayer University of Osijek, Croatia
P-05 Tina Bobić*, Pero Mijić, Vesna Gantner, Hrvoje Glavaš And Maja Gregić	The effect of the parity and stage of lactation on detection of the hoof diseases in dairy cows using thermovision camera	Josip Juraj Strossmayer University of Osijek, Croatia
P-06 Jozef Bujko*, Juraj Candrák, Peter Strapák, Július Žitný And Cyril Hrnčár	The impact of genetics and non-genetics factors on somatic cell count as monitor udder health in Slovak Simmental dairy cows	Slovak University of Agriculture in Nitra, Slovakia
P-07 Ivona Djurkin Kušec, Miodrag Komlenić, Marina Krvavica, Vladimir Margeta, Kristina Gvozdanović, Dalida Galović, Žarko Radišić, Goran Kušec*	Fatty acid composition of Baranjski kulen from two diverse production systems	Josip Juraj Strossmayer University of Osijek, Croatia
P-08 Dragan Dokić*, Maja Gregić, Vesna Gantner	Effects of the tax burden on the production of fattening pigs	Josip Juraj Strossmayer University of Osijek, Croatia
P-09 Martin Fík*, Jaroslav Andreji, Henrieta Arpášová, Petra Neirurerová	Reproduction Performances, Growth and Slaughter Traits Analysis of Rabbit of Nitra Breed	Slovak University of Agriculture in Nitra, Slovakia
P-10 Vesna Gantner, Muhamed Brka, Maja Gregić*, Gjoko Bunevski, Alka Turalija, Denis Kučević	Characteristics and possible utilisation of Busha population in different Balkan countries	Josip Juraj Strossmayer University of Osijek, Croatia
P-11 Maja Gregić*, Baban Mirjana, Tina Bobić, Stjepan Gregić, Denis Kučević, Gantner Vesna	Show jumping horses' adaption to the training over the racing season	Josip Juraj Strossmayer University of Osijek, Croatia
P-12 Cyril Hrnčár*, Jozef Bujko, Emília Hanusová, Anton Hanus, Henrieta Arpášová, Martin Fík And Radovan Kasarda	Comparative study of productive performance and carcass parameters of Oravka, Amrock and their reciprocal crossbred chickens	Slovak University of Agriculture in Nitra, Slovakia
P-13 Peter Juhas*, Ondrej Bucko, Andrea Lehotayova, Ondrej Debreceni, Peter Strapak	The backtest modification in piglet behavior test	Slovak University of Agriculture in Nitra, Slovakia
P-14 Radovan Kasarda*, Michal Vlček, Juraj Candrák And Nina Moravčíková	Estimation of heritability for claw traits in Holstein cattle using Bayesian and REML approaches	Slovak University of Agriculture in Nitra, Slovakia

P-15	Marin Kovačić, Zlatko Puškadija* , Marica Maja Dražić	Grooming behaviour in relation to varroa (Varroa destructor, infestation level of Carniolan honey bee colonies (Apis mellifera carnica,	University of Zagreb, Croatia
P-16	Barbara Luštrek*, Ana Kaič, Miran Štepec, Jurij Krsnik, Klemen Potočnik	Long-term effect of minor genetic changes of milk components on somatic cell count	University of Ljubljana, Slovenia
P-17	Polona Margeta, Dubravko Skorput, Dragica Salamon, Sven Mencik, Kristina Gvozdanić, Danijel Karolyi, Zoran Lukovic And Kresimir Salajpal*	12-plex highly polymorphic microsatellite marker set for parentage analysis in Banija spotted pigs	University of Zagreb, Croatia
P-18	Alica Navrátilová*, Miroslava Požgajová, Anna Trakovická, Ján Rafay	Rabbit myostatine gene polymorphism (c.747+34C>T and c.194A>G) as a marker for meat production	Slovak University of Agriculture in Nitra, Slovakia
P-19	Mateja Pečina, Zoran Luković, Dubravko Škorput, Matej Bolčić, Krešimir Salajpal, Danijel Karolyi*	Relationship between intramuscular fat content and fatty acid composition of pork	University of Zagreb, Croatia
P-20	Čedomir Radović*, Milica Petrović, Marija Gogić, Radomir Savić, Dragan Radojković, Nenad Parunović, Vladimir Živković	The effect of genotype on chemical, technological and biological quality of meat	Institute for Animal Husbandry, Beograd, Serbia
P-21	Michal Rolínek*, Daniel Bíro, Milan Šimko, Miroslav Juráček, Branislav Gálik, Ondrej Hanušovský , Katarína Ondrejáková	Change of feeding affects fatty acids profile of goat's milk	Slovak University of Agriculture in Nitra, Slovakia
P-22	Dragica Salamon*, Petra Furdíć, Toni Tešija , Alen Džidić	Genetic parameters for the external udder morphology in commercial farms of Istrian sheep from Croatia	University of Zagreb, Croatia
P-23	Dragica Salamon , Polona Margeta, Vedran Klišanić, Sven Menčik, Danijel Karolyi, Željko Mahnet, Dubravko Škorput, Zoran Luković, And Krešimir Salajpal	Genetic diversity of the Banija spotted pig breed using microsatellite markers	University of Zagreb, Croatia
P-24	Dubravko Škorput, Zrinko Dujmović, Danijel Karolyi , Zoran Luković	Variability of birth weight and growth of piglets in highly prolific sows	University of Zagreb, Croatia
P-25	Dubravko Škorput*, Marija Špehar , Zoran Luković	Connectedness and reliability of genetic evaluation in Black Slavonian pigs	University of Zagreb, Croatia
P-26	Steiner Zvonimir*, Ivana Klarić, Josip Novoselec, Željka Klir, Boris Antunović, Mario Ronta	Research on influence of different non-protein nitrogen (NPN), compounds in beef cattle feeding	Josip Juraj Strossmayer University of Osijek, Croatia
P-27	Ján Tomka*, Ján Huba, Milan Kumičik	The incidence of difficult calvings in the beef cattle in the Slovak Republic	Research Institute for Animal Production Nitra, Slovakia
P-28	Anna Trakovická, Klára Vavrišínová, Michal Gábor, Martina Miluchová, Radovan Kasarda And Nina Moravčíková*	The impact of diacylglycerol O-acyltransferase 1 gene polymorphism on carcass traits in cattle	Slovak University of Agriculture in Nitra, Slovakia
P-29	Tvarožková Kristína, Tančin Vladimír,* Uhrinčať Michal, Mačuhová Lucia, Toman Robert , Tunegová Martina	Evaluation of somatic cells in milk of ewes as possible physiological level	Slovak University of Agriculture in Nitra, Slovakia
P-30	Lubos Vostry*, Hana Vostra-Vydrova, Barbora Hofmanova, Nina Moravcikova, Zdenka Vesela , Ivan Majzlik	Genetic Diversity in Five Czech Native Horse Breeds Assessed Using Microsatellite Markers	Czech University of Life Sciences, Prague, Czech Republic
